This will acknowledge your letter of November 15, 1988, concerning the aforementioned products for which acceptance has been requested for use in registered establishments.

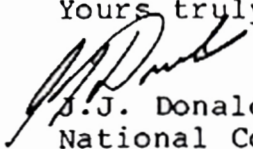

The final printing of your labels have been reviewed and the contents as they apply to the use in connection with food registered establishments appear satisfactory. No objection, therefore, will be taken to the use of the above products in registered establishments provided that they are used in keeping with the instructions outlined on the labels.

This acceptance is not to be misconstrued as an endorsement for these or similar products. Their use in registered establishments will depend upon their continued acceptability to all concerned.

Should any changes occur either in the formulations, or in the labelling format, then this acceptance shall be considered null and void.

Our inspection personnel are being advised of the above information under separate correspondence.

Yours truly,

J.J. Donald
